**INTEROFFICE MEMORANDUM**

---

**TO:** TOWN OF LA POINTE BOARD OF SUPERVISORS  
**FROM:** MICHAEL DALZELL – AIRPORT MANAGER  
**SUBJECT:** MONTHLY REPORT  
**DATE:** 22 SEPTEMBER 2015  
**CC:** TOWN OF LA POINTE CLERK

I've returned my budget proposal to Lisa. Again, my proposed expenditures are less than expected revenues, and less than 2015 actual. Operational expenses for the Airport do not cost the Town but is, by its self, a positive revenue stream, small though it may be. I do need some of the money "borrowed" from the Airport Improvement Fund to pay the final \$4,166.00 for our portion of the AWOS project that was invoiced by the BOA in August.

The meeting on the 30<sup>th</sup> regarding the tribal approval for the AWOS project is still on. Brad Volker of Cooper Engineering, Gayle Stearn of the BOA and Chris Egger and Jim Becker of WisDOT will all be here. Of the tribes, only Bad River and/or Red Cliff may be here. Others may attend.

Respectfully,
