
INTEROFFICE MEMORANDUM

TO: TOWN OF LA POINTE BOARD OF SUPERVISORS
FROM: MICHAEL DALZELL – AIRPORT MANAGER
SUBJECT: MONTHLY REPORT
DATE: 22 JUNE 2015
CC: TOWN OF LA POINTE CLERK

Tomorrow, June 23rd I will be meeting with Gayle Stearn (from the BOA and representing the FAA), Brad Volker (Cooper Engineering), Chris Egger and Shawn Hasseleu (both from the DNR) at the Airport for a final site approval and wetland delineation for the AWOS. I should have much more information at tomorrow's TBM about the entire AWOS and tree clearing projects at that time.

Traffic has begun to pick up, especially this last weekend which included a helicopter (Aerospatiale/Eurocopter AS.355, see attached photo) based in Waukesha.

Respectfully,
