**Re:** Monthly Police Report December 2015

---

During the month of November 2015 the La Pointe Police responded to the following:

44	Incidents/Complaints
9	Citizen Assists
0	Accidents
0	Civil Process
0	False Alarms
2	Animal Calls
8	Vehicle Registrations
0	Call outs

As you can see there has been a considerable slow down in the amount of calls the department is handling. Deer season generated no trespassing calls this year; my department took a proactive approach to this main complaint by stopping and talking to hunters this year. There were also no emergency calls involving hunters that the department was made aware of.

Booze and Belts Program will begin December 11 and run through December 19, 2015. This is a similar grant program to "Click it or Ticket" that is run this time of year for a chance to get an equipment grant. We have not been awarded one of these grants in a few years, we are hoping this is our year.

Speaking of grants, I am still working on ordering equipment for the TraCs grant. I am running a little behind my schedule for my completion of the grant as vendors are not as fast as I was expecting them to be on delivering. I have run into a couple of snags dealing with the computer vendor, but good things come to those who wait.

In regards to replacing Part Time Officers, I have received a few applications and am sorting them out. I am happy to say that I have found some good candidates and believe that we should hire more than before to stay ahead of demand.

If there are any questions any of you may have, please stop by and see me at any time.
