

M.R.F. Supervisor's Monthly Report March 6<sup>th</sup>, 2015

The month of Feb. was reasonably slow thanks to no ice caves. The jobs done by the M.R.F. crew included:

Accepting incoming garbage  
Sorting the recyclables  
Crushing glass  
Baling recyclables  
Sorting scrap metal  
Working on the electronics  
Smashing the demo and metal boxes  
Processing the Haz-Mat  
Moving snow  
Dealing with old paint  
Answering numerous phone calls  
Plus our daily routine

Additional info:

1. Carey and I will be gone Mon. the 9<sup>th</sup> and Tues. the 10<sup>th</sup>, attending Haz-Mat training.

Respectfully Submitted,

Ted Pallas Supervisor , M.R.F.
