

M.R.F. Supervisor's Monthly Report July 10th, 2016

The things done by the M.R.F. staff for the month of June include:

Accepting incoming garbage
Crushing glass
Sorting recyclables
Hauling crushed glass
Baling recyclables
Working on the Haz-Mat
Sorting old paint
Processing the electronics
Stripping wire
Working on the exchange
Smashing the metal and demo boxes
Working on propane cylinders
Sorting scrap steel and aluminum
Cleaning up the grounds
Switching the garbage and demo bins
Servicing the equipment
Cleaning up the shop
Delivering the grease bins
Answering numerous phone calls
Plus our daily routine

Additional info:

1. I have hopes our truck will be ready sometime this week. Leroy is standing by to run our guys through the operation. He will go on a couple runs with William.
2. Carey has been hard at work on his CDL. It won't be long and he will be doing our switch outs.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
