

M.R.F. Supervisor's Monthly Report August 6th, 2016

The M.R.F. crew completed the following:

Accepted incoming garbage
Sorted recyclables
Crushed the glass
Baling recyclables
Worked on the electronics
Sorted old paint
Separated the scrap metal
Switched out the demo and solid waste boxes
Worked on the Haz-Mat
Smashed the demo and metal boxes
Processed propane cylinders
Worked on the drive-way
Cleaned the shop
Picked up the grounds
Answered numerous phone calls
Plus the daily routine

Additional info:

1. The month of July was a record for us. We were barely able to keep up. We filled up three compactor boxes, the week of the 4th.
2. Carey has passed the written test for a CDL. Now with some driving time with William, it should not be long until he can haul our boxes.

Respectfully Submitted,

Ted Pallas Supervisor, M.R.F.
