

M.R.F. Supervisor's Monthly Report November 10th, 2014

The completed tasks by the crew at the M.R.F. for the month of October include:

Accepting the incoming garbage
Sorting the recyclables
Crushing the glass
Baling the recyclables
Working on the old paint
Separating the scrap metal
Working on the Haz-mat
Processing propane tanks
Working on the live load of furniture
Processing the electronics
Smashing the demo and metal boxes
Switching out the solid waste boxes
Working on the exchange
Cleaning up the grounds
Shipping out recyclables
Cleaning the shop
Answering numerous phone calls
Plus our daily routine

Additional info:

1. I will be storing aluminum again this winter. We will wait for the price to go up again in the spring.
2. I will be gone this week-end for a few days. Carey will be covering until return.

Respectfully Submitted,

Ted Pallas Supervisor, M.R.F.
