

M.R.F. Supervisor's Monthly Report December 6<sup>th</sup> 2013

Things are finally slowing down some at the M.R.F. the jobs done for the last month include:

Accepting incoming garbage  
Sorting recyclables  
Crushing glass  
Working on the demo area  
Baling recyclables  
Sorting the scrap metal  
Processing old paint  
Working on the exchange  
Cleaning the grounds  
Working on the electronics  
Switching out the demo and solid waste boxes  
Working on the haz-mat  
Servicing the equipment  
Cleaning the shop  
Moving snow  
Answering numerous phone calls  
Plus our daily routine

Additional info:

1. I was able to use up my vacation time without a carry over. To bad the weather wasn't a bit better.
2. I have reached a deal with Chicago Iron on storing of aluminum. I will be sending a load of plastic and aluminum, hopefully this week. The rest before the boats stop running.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
