

M.R.F. Supervisor's Monthly Report Feb. 7th 2013

The jobs done by the M.R.F. crew for the month of January include:

Accepting incoming garbage
Crushing glass
Sorting recyclables
Working on the haz-mat
Baling recyclables
Processing the electronics
Working on the exchange
Smashing the demo boxes
Sorting old paint
Placing all the winter boxes
Moving lots of snow
Cleaning the shop and garage
Filing D.N.R. reports
Answering numerous phone calls
Plus our daily routine

RECEIVED
FEB 08 2013
11:50 AM

Additional info:

1. I have ordered the wire stripper. It will be shipped as soon as the check clears the bank. Some sort of middle management rule. Anyway AlanRoss is a well known company so I'm not concerned.
2. Carey and I have signed up for our Haz-mat training in March. It is the class that was canceled because of the weather last year.
3. We finally got a check for the aluminum that I shipped last fall it was around \$4500 so that gives us a good start for this new year.

Respectfully Submitted,

Ted Pallas Supervisor, M.R.F.

Handwritten notes at the top left of the page, possibly including a date or reference number.

Handwritten notes in the top right corner, possibly a name or initials.

Main body of handwritten text, appearing as several lines of cursive script.

Second main body of handwritten text, continuing the cursive script.

Final section of handwritten text at the bottom of the page.
