

M.R.F. Supervisor's Monthly Report March 7<sup>th</sup> 2014

The month of Feb. at the M.R.F. was snow filled and steady, the jobs done by Baxter and I include:

Accepting incoming garbage  
Receiving recyclables  
Sorting recyclables  
Baling recyclables  
Crushing glass  
Working haz-mat  
Working on scrap metal  
Moving lots of snow  
Smashing the demo boxes  
Working on equipment  
Separating old paint  
Processing electronics  
Separating scrap wire  
Working on the exchange building  
Working on the annual D.N.R. report  
Answering numerous phone calls  
Plus our daily routine

Additional info:

1. The price of aluminum is slowly on the rise. I am talking watching it closely and will sell when it is right.
2. I was able to repair the electrical system on the 310 loader. The alternator had a short and needed replaced.
3. Carey and I will be leaving right after work on Weds. For a Haz-Mat class. Hopefully we will return on Thurs. late afternoon.

Respectfully Submitted,

Ted Pallas Supervisor, M.R.F.
