

M.R.F. Supervisor's Monthly Report July 6th, 2013

The fun had at the M.R.F. by the crew for the month of June was the following:

Accepting incoming garbage
Sorting recyclables
Crushing glass
Working on the demo area
Baling recyclables
Sorting scrap metal
Working on the exchange
Cleaning up the grounds
Working on the electronics
Processing old paint
Working on the haz-mat
Switching out the demo and solid waste boxes
Servicing the equipment
Cleaning the shop
Re-training the public
Smashing the demo and metal boxes
Answering numerous phone calls
Plus our daily routine

Additional info:

1. The back-up compactor is still down. The relay sent was the wrong one. I am waiting for the right one to be sent. It should be here by Tuesday. With any luck we won't have any other problems.

2. I have worked a new deal with Kurt, the guy that picks up our appliances. We will be saving quite a bit of money.

Respectfully Submitted,

Ted Pallas Supervisor, M.R.F.
