

M.R.F. Supervisor's Monthly Report December 7th, 2012

The things done at the M.R.F. by the crew for the month of November include:

- Accepting incoming garbage
- Sorting recyclables
- Crushing glass
- Baling recyclables
- Cleaning the shop
- Switching the solid waste and demo boxes
- Sorting old paint
- Working on the haz-mat
- Sorting electronics
- Cleaning the exchange building
- Servicing the plow truck
- Working on the glass crusher
- Getting ready for the snow to fly
- Repairing the garage doors on the old fire hall building
- Answering numerous phone calls
- Plus our daily routine

Additional info:

1. I am setting up one more pick up from Chicago Iron next week. Mostly to clear out the paper building. Aluminum is at .65 cents a pound so I will be sending some bales if there is room on the truck.
2. I thank the town for my vacation time. I enjoyed the time last month away from the M.R.F.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
