Re: Monthly Police Report for May 2011

During the month of April 2011 the La Pointe Police Department responded to the following:

- 15 Various Complaints/Incidents
- 3 Citizen Assist Requests
- 1 Before/After Duty all Outs
- 2 Non-Reportable Traffic Accident
- 4 Vehicle Title/Registrations
- 2 False Intruder Alarms
- 2 Traffic Citations Issued
- 3 Parking Violations Issued
- 5 Animal Calls

We are having a difficult time trying to outfit the new squad car. Ford did a complete makeover on the 2011 Explorer chassis as well as major changes to the exterior/interior of the body. Vendors who typically supply equipment for these vehicles haven't developed what we need yet so it may take a few more weeks before it is road ready.

Beginning May 23rd the La Pointe Police Department will once again take part in the national safety campaign to promote safety belt awareness by participating in the "Click It or Ticket" mobilization. The program will run through June 5th. After completing the required paperwork by June 16th, we then prepare for the Labor Day mobilization known as "Over the limit, Under Arrest" which will make us eligible for federal funding consideration. Police safety prevention programs are among several emergency service grants that are being eliminated as part of budget cuts so any opportunity to get additional funding assistance is welcomed.

Sincerely,

Michael Anderson
