Re: Supplemental to May 2014 Report

We would like to congratulate one of our Part Time Officers; Jeremy Pajac has accepted a Full Time position with the City of Ashland Police Department. Jeremy intends to stay on our part time roster, however he will not be able to work until his probationary period has been completed and unfortunately this will take the entire summer.

We also have another part time officer that has expressed intentions of resigning. I have yet to receive anything other than a verbal intention from that officer and they have not been scheduled to work any hours.

With the potential loss of two part time officers for this summer, we are going to be on the edge when it comes to the needs of covering hours. We still have two very available part time officers, however if anything were to happen such as injury we will be stretched to the limit and will be going over the edge when it comes to hours worked.
