Re: Monthly Police Report January 2016

During the month of December 2015 the La Pointe Police responded to the following:

22	Incidents/Complaints
4	Citizen Assists
1	Accidents
0	Civil Process
1	False Alarms
0	Animal Calls
3	Vehicle Registrations
0	Call outs

Not many calls for December, this month is usually one of the slowest months of the year for the department. This is the time of year when we try to prepare for the following summer.

The "Drive Sober or Get Pulled Over" Campaign ran from December 18, 2015 and run through January 3, 2016. This is a similar grant program to "Click it or Ticket" that is run this time of year for a chance to get an equipment grant. There were minimal stops and no arrests from this program. Once paper work is submitted we will be in a drawing for a \$4000 grant.

Update on the TraCs grant, we have received the computers already, and are busy installing equipment as it comes in. So far, not all the equipment has arrived.

Both Part Time officers that were hired in November and December have now been trained in and have become assets to the department. Dan and I will be using all of our carried over Vacation and Holiday time before March.

In February, I will be attending the Wisconsin Leadership Foundations Police Chief Training in the Wisconsin Dells this year. This training is mainly for Police Chief's and their issues, I am looking forward to it.

If there are any questions any of you may have, please stop by and see me at any time.
