Re: Monthly Police Report for March 2014

During the month of February 2014 the La Pointe Police responded to the following:

31	Incidents/complaints
4	Citizen Assists
3	Vehicle Registrations
4	Non Reportable Accidents
1	Reportable Accident
2	Animal Calls
7	Parking Violations
1	Traffic Citation
1	Civil Process

In last month's report, I reported that we had completed the first phase of our DOT/BOTS equipment grant. During February, we completed the second phase, moved onto the third phase and will be completing that shortly. We have received the equipment and forwarded the invoices/vouchers for reimbursement so everything is on schedule.

You have most likely noticed the increased amount of traffic we have, especially weekends. Between the ice caves and the fascination of driving on the ice road there has been an extra ordinary amount of visitors that have come to see this area. From the number of vehicles in the ditches it is clear the drivers are enjoying the scenery too much and not paying attention to where they are driving.

I have sent updates to the two other (Fire/EMS) emergency service directors advising them of two upcoming meetings regarding the multi-jurisdictional training exercise to take place this summer. I will most likely be designating Bill Defoe to go in my place as I will no longer be the La Pointe Police Chief when the actual event takes place.

Sincerely,

**Michael Anderson
Police Chief**
