

TOWN OF LA POINTE

RESOLUTION #2015-0922

WHEREAS, The Town Board of La Pointe, Wisconsin has appointed an Alternative Energy Committee to study alternatives for providing power to the Island and its residents; and

WHEREAS, The Alternative Energy Committee has developed a long-range plan for achieving reduced cost power for the Island; and

WHEREAS, the Town Board of La Pointe explicitly supports the Town's Alternative Energy Committee's current work objectives of 1) reducing electricity costs for Island residents via sustainable on-island energy production and 2) lowering the Town's carbon footprint.

NOW, THEREFORE, the Town Board supports the Alternative Energy Committee's efforts to develop and implement a plan for the acquisition of solar energy installations that would supplant the electricity used for municipal operations, including the Bayfield School District's La Pointe school building.
