**TO:** TOWN OF LA POINTE BOARD OF SUPERVISORS  
**FROM:** MICHAEL DALZELL – AIRPORT MANAGER  
**SUBJECT:** MONTHLY REPORT  
**DATE:** 6/24/2012  
**CC:** TOWN OF LA POINTE CLERK

Our new Rotating Beacon, provided by a grant from the BOA to replace the one damaged in the high winds of October 2010, has been working without a hitch since installed in December of that year. Finally the lamps needed to be replaced in May. A small investment for the service and safety provided.

The hot water heater for the pilot lounge is being provided and installed at no cost by Paul Wroblewski. It is hard to come down on a contractor for a project that is not finished when that part of the project is being provided pro bono. I am, however, following up with Paul.

Respectfully,
