
INTEROFFICE MEMORANDUM

TO: TOWN OF LA POINTE BOARD OF SUPERVISORS
FROM: MICHAEL DALZELL – AIRPORT MANAGER
SUBJECT: MONTHLY REPORT
DATE: 25 NOVEMBER 2014
CC: TOWN OF LA POINTE CLERK

It is my recommendation to go with the Horton Group quote for Airport Liability Insurance for 2015. Their quote of \$1,278.00 is the same as last year. It is much lower than quotes in past years from Johnson Insurance or Tom Casey at \$1,850.00. However, since I have been informed of the Board's desire for multiple quotes, I will request quotations earlier in the process next year. As our policy expires in just a couple of weeks, it is not practicable to solicit additional quotes for 2015 especially as they will probably be higher than Holden. My apologies.

On the AWOS project; the DNR has made a preliminary opinion concurring with the BOA that the necessary tree removal would most likely not change the wetland type. Further, it may be possible to skip the field review. I'll know more when the paperwork comes through but it looks like the project will still happen in 2015, just not early spring.

Respectfully,
