
INTEROFFICE MEMORANDUM

TO: TOWN OF LA POINTE BOARD OF SUPERVISORS
FROM: MICHAEL DALZELL – AIRPORT MANAGER
SUBJECT: MONTHLY REPORT
DATE: 27 JANUARY 2015
CC: TOWN OF LA POINTE CLERK

It's been a quiet month at the Airport. The roads crew has kept up very well with snow removal. We have had at least four arrivals and departures in the past month plus at least one chartered flight. In addition as Kristian was finishing cleaning up the snow on the tie down area two classic Cessna 172's touched down in the afternoon.

I have just registered to use Lockheed/Martin's web based NOTAM filing system. It will make logging and monitoring NOTAM's much easier than the telephone system that has been in use since the old FAA Flight Service Stations days.

Very quiet otherwise.

Respectfully,
