5 TB, Micaela, Lisa
Bill Pielke, Fire Dept

Fire Chiefs hours 6/9/15-7/6/15
No Calls

Our Substation and what im now calling our reliable water source committee has met to talk about each. We conclude that we will first start by finding and securing a reliable water source toward the north end of the island before a while we are looking a future substation. The reliable water source is a short term goal and the substation being a long term goal.

7/4 E.M.S. picnic. I will write up a report for the gazette and my next chiefs report.

Be Safe

Rick Reichkitzer/Fire Chief
