Minutes from July 20th 2009**

called to order at 6:13 pm

members present Deena Shuppe, Aimee Baxter absent Anne Lacy
members of the public present Nora Taylor, Amitty Romundstadt, Nick Nelson, Linda Fuller

We voted to recommend to the Town board that Nora Taylor and Nick Nelson be members of Afford. Housing Comm. Linda Fuller walked in a few min. after that and signed up to be an alternate. We agreed to send that recommendation on to the Town board as well.

We set the date for the public info gathering meeting for Aug. 10th at 7pm

We discussed where we would be disbursing the survey about affordable housing and who would take on the job. All agreed to help out.

It was stated that it would be a good idea to talk to Mike Anderson about the La Pointe members of the Ashland County housing authority. To find out how many applicants we have every year and where there could be available land to build on.

We discussed what we would like to say in the Gazette about the survey and the public meeting. Deena said she would get something to Waggie.

We talked about how the public meeting should be run and what the agenda for it would be. We decided we needed to meet one more time before the public hearing to tabulate the survey results so we would have that info for the meeting.

Deena moved to adjourn and Aimee 2nds all were in favor.
