Re: Monthly Police Report

During the month of March 2015 the La Pointe Police responded to the following:

35 Incidents/Complaints
8 Citizen Assists
1 Vehicle Registrations
1 Accidents
1 Civil Process
4 False Alarm
1 Call out
2 Animal Calls

The Ice is gone and we are back to the ferry boat, which means tourist season is just around the corner. The amount of calls will come up and our hours of patrol will increase as well.

Two of us recertified our CPR cards in March and in April, one will be headed to an instructor recertification. Two officers are scheduled to attend mandatory recertification training at the beginning of May.

I was informed by Ashland Ford that our new squad is scheduled to be delivered the week of April 6. Normally we would be sending the squad up to Duluth Superior Communications to do the radio and lights changeover and put in new partitions. This time, we are utilizing Adam up at the Town Garage to do this as he has previous experience. Once it is delivered we will begin ordering the new equipment that also has to go in. We are excited to be able to do the changeover in house.

I am still in the process of finding help for the summer. I had a very successful trip to Rice Lake and a good meeting with the new recruits that will be graduating in May.

If you have any questions about anything in my report this month or even to just talk about questions you may have on other things the department is doing, please stop by and talk with me, the door is easily opened.
