Re: Supplemental to the July Police Chiefs Report

Since I had already turned in my Monthly Police Chiefs Report, I had learned that there was an agenda item in regards to the Ashland County Law Enforcement Agreement.

In June, I had met with Jeff Beirl and talked about the agreement. Jeff felt that we currently had a good process where we would submit our budget to the Chief Deputy, and that they would give approximately 45% of the budget as their share. Jeff agreed that this should be put in written form and agreed to.

Some time ago, the former TA had shown me an agreement he had been working on. It was very short, and very brief. He has said that it was a draft for an agreement with the county. I am not sure if that draft agreement has been found as of yet, since his departure.

Either way, it would be my suggestion/request, that new Town Board member Mike Anderson be involved in this contract writing and negotiation as he is well versed in the history and the complications of the agreement.

Please let me know how you would like me to proceed with this contract.
