April 12, 2024

Mr. Yash Wadhwa, Commissioner
Office of the Commissioner of Railroads
State of Wisconsin
P.O. Box 7854
Madison, WI 53707-7854

RE: Certificate Pending

Dear Mr. Wadhwa:

I have been authorized on behalf of the Harbor Commission and Town Board of the Town of La Pointe, to file the enclosed local tariff No. 1, which will be effective May 12, 2024.

The Town of La Pointe (Ashland County), a political subdivision of the State of Wisconsin, acquired all of the ferry service assets of the Madeline Island Ferry Line, Inc. (Certificate WC-17) on March 28, 2024, through its Board of Harbor Commissioners (created pursuant to WI Stat. 30.37), converting this to a publicly-owned Ferry Service. General inflation and servicing the debt incurred to purchase the Ferry Service requires the minimal tariff increases requested in the enclosed.

The enclosed tariff contains increases for vehicles, passengers, and freight. We include fuel surcharges in the tariff should future fuel prices escalate. We are including an additional increase for larger campers to account for the additional costs to the Town for sanitary waste processing at the Town's discharge facility.

Regular commuters, contractors and senior citizens will still be able to take advantage of substantial discounts, for vehicles and passengers, by using our NFC discount cards. We are proposing no increase in the cost of ferry transportation of persons or regular cars, for persons using these discount cards. A substantial number of our customers (the prior owner said at least 40%) use these discount cards.

If you need any further information, please feel free to contact me.

Yours truly,

Glenn Carlson
